🎓 EDUCATION

Computer Science and Engineering (Cybersecurity)	**CGPA : 8.39**	11/2020 – present
CMR College of Engineering and Technology		Hyderabad, India
Intermediate Education	**Percentage : 96.6**	04/2018 – 03/2020
Abhyaas Junior College		Hyderabad, India
10th Standard	**CGPA : 8.8**	04/2017 – 03/2018
Akshara School		Tandur, India

📁 PROJECTS

GESTURE RECOGNITION   08/2022 – 10/2022
Python, Machine Learning, Deep Learning
  Our project can recognize the hand gestures shown to camera and it gives the proper
  data related to that sign/gesture.

LIBRARY BOOKS MANAGEMENT SYSTEM   03/2022 – 06/2022
Arduino, Python, C++
  In this project we made a prototype which can deliver books to the respective shelves
  in the library from the operator at the counter by recognizing the book from its QR
  CODE.

🧠 SKILLS

C++, C, Java(Basic), Mysql, HTML, CSS, Bootstrap

📚 COURSES

Backend Web development using Javascript, Node.js and Express   01/2023
Devtown Bootcamp

JavaScript & React.js   10/2022
Devtown Bootcamp

Cybersecurity Essentials   02/2023
CISCO Networking Academy (NETACAD)

Data Analytics   01/2023
Coursera - TATA Strive

Python & Deep Learning   10/2022
Devtown Bootcamp

🏅 ACHIEVEMENTS

Our Academic project is selected as one of the BEST PROJECTS of 2022. Also it is selected for INTINTA INNOVATION by Telangana Govt. in 2022.

I have conducted SUDOKU in AZURA-2K22 event in our college.
